

## Residential Snow Removal Begins in Central District (Zone 3) Next Week

### **Watch for 'No Parking' Signs and Remove Parked Vehicles from Roadways**

As Town of Ponoka crews continue working to remove snow from roadways throughout the community, they are currently conducting snow removal on the following priority routes today (January 9):

- 54 Street from 45 Avenue Crescent to 48 Avenue;
- 52 Street from 53 Avenue to 57 Avenue;
- 46 Avenue from 54 Street to 50 Street.
- 48 Avenue from 50 Street to 54 Street; and
- 49 Avenue from 50 Street to 52 Street.

### **Residential Snow Removal**

Snow removal operations in residential neighbourhoods will begin in the south end of Central District (Zone 3) next week (January 12-16) along the following residential streets:

- 52 Street from 43 Avenue Close to 46 Avenue;
- 44 Avenue from 50 Street to 52 Street;
- 51 Street from 46 Avenue to 53 Avenue;
- 50 Street from 48 Avenue to 53 Avenue;
- 52 Street from 48 Avenue to 53 Avenue; and
- 43 Avenue Close.

Snow removal will not impact curbside waste collection. Residents can continue to place their waste, compost and recycling at the curb for pick-up as usual on those days.

Snow and ice control crews are also:

- Sanding roadways throughout the community as needed; and
- Sanding and clearing snow on sidewalks adjacent to Town-owned properties and on walking trails, as well as clearing snow from park furniture (benches, picnic tables, etc.) in Town parks and throughout the trail system.

### **'No Parking' Signs**

Please watch for 'No Parking' signs and move parked vehicles from roads when the signs are posted.

Removing your vehicle from the roadway when 'No Parking' signs are posted in advance of snow removal operations is a requirement under the Town's Traffic Bylaw and can result in fines and towing of the vehicle at the owner's expense if needed.

Removing your vehicle from the road also helps crews conduct snow and ice control operations safely and more efficiently.

### **Community Advisory Signs**

Community advisory signs are also posted 48 hours in advance in residential neighbourhoods to give residents notice of when snow removal is scheduled to occur in their area.

Please note that changing weather conditions and new snowfall events can require crews to direct their attention back to priority routes and delay planned snow removal operations. As a result, crews may not complete the entire zone and will return at a later date.
