

51 Avenue Redevelopment Project

Final Phase of the
Project is Underway

Work is progressing on the following improvements, which are underway on 51 Avenue (between 50 Street and 51 Street):

- Replacement of the temporary asphalt sidewalks with new permanent sidewalks (completed);
- Redevelopment and design improvements to the municipal parking lot on the south side of 51 Avenue (ongoing);
- The final layer of asphalt paving (was scheduled to happen Monday, July 17 weather permitting);
- Installation of pedestrian crossings and line painting in the coming weeks. A temporary road closure will accommodate that work;
- Landscaping including new shrubs and trees (ongoing); and
- Installation of benches and garbage containers (completed).

Weather permitting, the 51 Avenue Redevelopment Project is expected to be completed this fall.

Business Access Remains Open Along 51 Avenue

Pedestrian access to businesses on 51 Avenue is being maintained throughout the project, including during temporary road closures. Sidewalks remain open on both sides of the street.

Parking is Available

During temporary road closures, on-street parking will continue to be available on 50 Street and 51 Street, and in the municipal parking lot at 51 Street and 52 Avenue, across from the Ponoka United Church.
