## Green Carts Are Not for Garbage

**Did you know?** When a non-compostable item is thrown into a Green Cart (even just a single plastic bag), the whole truckload of compostable waste must be sent to the landfill.

That means extra costs for transportation and landfill fees that eventually get passed down to residents in their utility bills to pay for the increased cost of curbside waste collection.

To learn more about what items are 'accepted' and 'not accepted' in your green cart, please visit [Ponoka.ca/p/green-carts](https://ponoka.ca/p/green-carts)
