Initials

- ☐ I/We understand the property tax account must be current prior to the initiation of the Tax Instalment Payment Plan or have a signed Tax Agreement in place.
- ☐ I/We understand that the plan runs from January to December of each year and continues each year unless cancelled by written notification. - ☐ I/We understand that payments are withdrawn from the bank account provided on the first business day of every month. Any payments that are dishonoured by reason of non-sufficient funds, stop payment, account closure etc will be subject to an NSF fee of \$25.00 and the account will be removed from the plan without prior notice if two payments have been dishonoured. All outstanding amounts then will become due and payable by July 31 and subject to penalties in accordance with our current Property Tax Penalty Bylaw.
- ☐ I/We understand that if any transfers to the property tax account have occurred, my monthly payments will be adjusted accordingly without notice.
- ☐ I/We understand that the December payment amount may vary if payments have been dishonoured or if any transfers to the property tax account have occurred (ie outstanding utilities transferred). The property tax account must have a zero balance as at December 31.
