Town of Ponoka Snow and Ice Control Update – December 19, 2022

(December 19, 2022 – Ponoka, Alberta) – Town of Ponoka snow and ice control crews are busy sanding, salting and clearing snow today (December 19) on Priority 1 and 2 routes. Priority routes include high-volume roadways, such as emergency, school bus and connector routes.

Snow and ice control crews are also salting, sanding and clearing snow where needed from sidewalks adjacent to Town-owned properties and on walking trails and park furniture (benches, picnic tables, etc.) in Town parks and throughout the trail system.

Motorists are encouraged to slow down and drive for winter conditions. To see the Town's Priority Routes Map, please visit www.ponoka.ca/p/snow-ice-control-program.

How to Report a Roadway or Sidewalk that May Need Attention

To report an icy or snow-covered intersection, back alley, or sidewalk that may need attention, please submit an online request by visiting www.ponoka.ca. Scroll down and click on 'File an Online Service Request,' or you can phone the Town Office at 403-783-4431 where Town staff can help fill out the online form for you.

Please note that Town winter operations crews work in conjunction with the Alberta Ministry of Transportation, which is responsible for snow and ice control on Highways 2A and 53 in Ponoka.

Please Clear Snow and Ice from Sidewalks Bordering Your Property

Ponoka citizens are reminded to please help keep our community safe by ensuring sidewalks that border your property are clear of snow and ice.

By keeping sidewalks clear of snow and ice, you are helping protect the safety and well-being of your neighbours and fellow citizens in Ponoka.

Clearing sidewalks that border your property within 48 hours after the snow or ice has been deposited is a requirement under the Town of Ponoka Community Standards Bylaw #384-17 and can result in fines when necessary.

When shovelling, residents are asked to please only deposit snow and ice onto your own property – not the roadway or someone else's property. This is also a requirement under the Bylaw. Shovelling snow onto your own property is also good for your grass when the snow melts in the spring.
