‘No Parking’ Signs

Snow removal operations on the roadways listed above will continue until the work is completed. Moving parked vehicles from roadways allows crews to conduct snow and ice control operations safely and more efficiently.

Removing your parked vehicle from roadways on which ‘no parking’ signage is posted in advance of snow and ice control operations is also a requirement under the Town’s Traffic Bylaw 388-17 and may result in fines and towing of the vehicle at the owner’s expense if needed.

Motorists are asked to please take an alternate route to avoid snow and ice control equipment where possible. Please note that Town winter operations crews work in conjunction with the Alberta Ministry of Transportation, which is responsible for snow and ice control on Highways 2A and 53 in Ponoka.
