

Town of Ponoka Snow and Ice Control Update – November 8, 2022

Town of Ponoka snow and ice control crews are actively clearing snow, as well as sanding and salting roadways throughout the community today (November 8).

Crews are also salting, sanding and clearing snow from sidewalks adjacent to Town-owned properties and on walking trails and park furniture (benches, picnic tables, etc.) in Town parks and throughout the trail system.

Please Watch for ‘No Parking Signs’

Starting tomorrow, Wednesday, November 9, crews will be conducting snow removal operations along priority routes in the downtown area.

Please watch for ‘no parking’ signs and move parked cars from roadways on which ‘no parking’ signage is posted.

Temporary parking bans will be implemented as ‘No Parking – Snow Removal’ signs are placed on roadways today in advance of snow removal operations beginning tomorrow in the downtown area.

Motorists are asked to please take an alternate route to avoid snow and ice control equipment where possible.
