

Town of Ponoka Snow and Ice Control Update – November 16, 2022

(November 16, 2022 – Ponoka, Alberta) The Town of Ponoka is continuing snow and ice removal operations today, November 16 along the following priority routes:

- 57 Avenue between 50 Street and Highway 2A;
- 40 Avenue between 38 Street and 46 Street;
- 42 Avenue between 43 Street and 46 Street; and
- 48 Avenue between 42 Street and 46 Street.

Motorists are asked to please take an alternate route to avoid snow and ice control equipment where possible. Motorists are also encouraged to slow down and drive for winter conditions.

Crews will also continue to salt, sand and clear snow where needed this week from sidewalks adjacent to Town-owned properties and on walking trails and park furniture (benches, picnic tables, etc.) in Town parks and throughout the trail system.

Please Watch for ‘No Parking’ Signs and Remove Parked Vehicles

Please watch for ‘no parking’ signs and move parked vehicles from roadways on which ‘no parking’ signage is posted. Moving parked vehicles from roadways allows crews to conduct snow and ice control operations safely and more efficiently.

Removing your parked vehicle from roadways on which ‘no parking’ signage is posted in advance of snow and ice control operations is also a requirement under the Town’s Traffic Bylaw 388-17 and may result in fines and towing of the vehicle at the owner’s expense if needed.

Please Clear Snow and Ice from Sidewalks Bordering Your Property

Ponoka citizens are reminded to please help keep our community safe by ensuring sidewalks that border your property are clear of snow and ice.

By keeping the sidewalks adjacent to your property clear of snow and ice, you are helping protect the safety and well-being of your neighbours and fellow citizens in Ponoka. Keeping sidewalks that border your property clear of snow and ice is a requirement under the Town of Ponoka Community Standards Bylaw #384-17 and can result in fines when necessary.

When shovelling, residents are asked to please avoid depositing snow and ice onto the roadway and properties other than your own, which is also a requirement under the Bylaw. Shovelling snow onto your own property is also good for your grass when the snow melts in the spring.
