Fire Advisory Issued for Town of Ponoka

(May 3, 2018 – Ponoka, Alberta) – Effective immediately, a Fire Advisory has been issued for all properties within the Town of Ponoka corporate limits due to dry conditions. Under the Fire Advisory, no new burn permits will be issued until current conditions improve.

Use of approved backyard fire pits with screens, as well as other wood or charcoal burning appliances that meet accepted requirements under the Town's Fire Services Bylaw is still permitted. However, residents are advised to exercise caution and never leave an open air fire unattended.
