

Police Advisory Committee

Citizen Survey

The Police Advisory Committee's primary role is to give the community a voice on public safety and crime prevention matters to help foster and maintain a safe and secure community.

We do this by encouraging local community input and by liaising with Town Council, the local RCMP, and the Town CAO (Chief Administrative Officer) to pass on any valid community concerns and feedback that we receive about public safety and crime prevention.

Please answer the following questions:

1. Do you have any public safety or crime prevention concerns or comments that you would like to bring to the attention of the Police Advisory Committee?

PLEASE NOTE: If you wish to report a non-emergency incident to the police, please contact the Ponoka RCMP directly at 403-783-4472.

If you are reporting an emergency situation please dial 911 immediately.

2. What local policing priorities would you like the RCMP to consider in the coming year to help keep Ponoka a safe and secure community?
