

Waste & Recycling Program Public Open House

What changes is the Town proposing to current Waste & Recycling Program?

The Town is proposing the following recommendations for its current Waste Management & Recycling Program for 2019:

- 1. Introduce a new full organic green cart compost program.**
- 2. Continue with the year-round, bi-weekly pickup of household garbage.**
- 3. Continue with the year-round, bi-weekly pickup of recyclables.**
- 4. Continue with front curbside collection.**
